Nil

Overall Good College in entire Jalgaon District

College must organise moot trial competitions.

Excellent. Join me.

Alumni needs to be engaged for current students

Need to be strengthened

College perform the activity of students exchange program specially with our institution.

Want to be a part of Alumni association and it's regular activities..

All the activities in the college are conducted in a very good manner which gives the students holistic development of stage daring, thinking ability, reasoning power, debating etc. and they also get good knowledge and practical knowledge of various laws.

Plz give practical knowledge to students so that they can work smoothly in the court without asking basic things to their Senior Advocates.

The college provides excellent legal education to the students and has very good teaching

staff. Also various educational and cultural activities throughout the year for the students are conducted by the college which plays an important role in the overall development of the students.

Good

College is providing quality education to students. Teacher students cooperation is always there.

Good going

Excellent and highly qualified teachers dedicated for student centric development, cooperative support staff, strong alumni network makes this institute premium Law college in Maharashtra.

Collage is best. It has all the required facilities. Best for outdoor as well as local students.

Practical aspects of legal field should be covered vis a vis academic knowledge.

Everything is good

The college is doing well with enthusiastic teachers and staff. I suggest the technology and infrastructure for the college is to be upgraded

Excellent

Intimation regarding Alumini Association should be given to the concerned.

I got Best teaching staff.

Overall grooming of students needs to be this first priority.
