Overall its good.

Feeling proudly to be part of this College.

Participation in Moot court competition will benefit student. Also visit to different Court will help them grow.

Practical training need to be explore for students with reference to actual court working. Guest lectures from senior advocate, professors, judicial officers, experts from various social and legal field will provide broader vision to students. Arrangements of Visits for parliament, Supreme court, High court and judicial academy will helpful to students. Various competitions on legal subjects need to be arranged to encourage a students for reading,writting, interpretation and analysis for legal aspects and it will also develop competitiveness among the students. Civil and criminal manuals introduction need to be added in curriculum along with new laws like RERA, Protection of wome from sexual harrasment at work place, POCSO, Domestic violence Act, Mocca, Maharashtra Town Planning Act. MOFA,MCSAct 1960, Muncipal Laws, etc..

No. Suggestions

Arrange meetings Alumni Association.

Education program with professional outlook. Total development of head, heart, and hand in true sense of terms.

Some Educational toures shall help more in confidance development of students

College can involve alumnus like us in online webinars

No active program is there even after 15 years of passing out. No utilisation of aluminis to its total strenght is being done. It's high time that active interaction of the aluminis as well as the current batch should be done.

Education with Excellence..!

I got many Gurus there and not mere teachers. I have got chance to work in Extra-curricular activities besides academics. Library is good and college gives you exposure.

Good atmosphere of college and surrounding

Nope

I m thankful to all the faculty members of the College for their continuous efforts and support. Apart from excellent academic experience, I cherish every moment spent at KCE's S.S.Maniyar Law College.
